It all began 40 years ago, when a Vietnamese family journeyed across the world in search of adventure and a better life. Cooking kept them connected to their roots—and now, it connects you to the vibrant flavors of Vietnam.

At Vietnamese Street Kitchen, everything starts with a legacy. Passed down through generations, our recipes bring the true taste of Vietnam to your plate. Every dish is made fresh, from scratch, with no shortcuts.

Our kitchen team begins at 6:00am every day, simmering soups for over 8 hours and marinating meats for 24.

Crafting every bite with dedication at our family run business.

All of our dishes are prepared in a kitchen where nuts, gluten and all other allergens are present, therefore we cannot guarantee that any dish is completely free from allergens due to the risk of cross contamination. Detailed allergen information is available upon request and on our website. If you have a food allergy, intolerance or sensitivity please ensure you inform your server before placing your order.
